

Hole Sponsor Guidelines for IREM Golf Tournament

The golf course will provide signs for each company at the hole identifying you as a hole sponsor.

You are permitted to 'set up shop' at the tee box at your assigned hole the morning of the tournament. Please check with Barbara or the course representative for the location of your hole.

Not Permitted are the following:

- No fire or anything that could cause a fire.
- No loud sounds permitted that would disturb golfers.
- No alcoholic beverages permitted
- No damage to the golf course when setting up your station

Encouraged Ideas for Sponsors

- Set up a small tent (no large stakes permitted) with a table and business cards/brochures about your company/organization.
- Have company 'swag' that can be handed out to the golfers
- Have drinks or snacks available for golfers
- Set up a 'mini game' the golfers can play or have a drawing for prizes that you can give away, maybe at a later time.
- Dress appropriately for the weather for that day. You will want to be comfortable but also present a professional appearance.

Thanks again for your sponsorship of the IREM Golf tournament!!!
